### **First Majestic Prices Offering of Convertible Senior Notes**

Vancouver, BC, Canada – First Majestic Silver Corp. (NYSE:AG) (TSX:AG) (FSE:FMV) (“First Majestic” or the “Company”) announced today that it has priced its previously announced offering (the “Offering”) of unsecured convertible senior notes due 2031 (the “Notes”). The Company intends to issue US\$300 million aggregate principal amount of Notes (or US\$350 million aggregate principal amount if the over-allotment option is exercised in full). The Notes will be issued at par value. The Company intends to use the net proceeds of the Offering to repurchase, in separate privately negotiated transactions, a portion of its outstanding 0.375% convertible senior notes due 2027 (the “Existing Notes”) and for general corporate purposes, including strategic opportunities.

The Notes will bear cash interest semi-annually at a rate of 0.125% per annum. The initial conversion rate for the Notes will be 44.7227 common shares of the Company (the “Shares”) per US\$1,000 principal amount of Notes, equivalent to an initial conversion price of approximately US\$22.36 per Share. The initial conversion rate represents a premium of approximately 42.50% relative to yesterday’s closing market price of the Shares on the NYSE and is subject to adjustment in certain events.

The Offering is expected to close on or about December 8, 2025, subject to customary closing conditions.

The Notes and the Shares into which the Notes are convertible, have not been and will not be registered under the U.S. Securities Act of 1933, as amended (the “Securities Act”), or qualified by a prospectus in Canada. The Notes and the Shares may not be offered or sold in the United States absent registration under the Securities Act or an applicable exemption from registration under the Securities Act and may not be offered or sold in Canada except pursuant to exemptions from the prospectus requirements of applicable Canadian provincial and territorial securities laws.

*This news release is neither an offer to sell nor the solicitation of an offer to buy the Notes or the Shares into which the Notes are convertible, and shall not constitute an offer to sell or solicitation of an offer to buy, or a sale of, the Notes or the Shares into which the Notes are convertible in any jurisdiction in which such offer, solicitation or sale is unlawful.*
